**Elkay & Halsey Taylor Drinking Water Product Service Part Kits Cross Reference (Sorted by Service Component)**

Dec-2016

Simply scroll to the individual component in Column A or use filtering to determine the appropriate service kit. Filtering Instructions: Simply click the Drop Down arrow on the column to filter and enter the search criteria. For example, type in a specific part number or to find service kit components related to compressors, click the drop down arrow in Column B and choose Text Filters and Contains. Type in "Comp" and click OK. To return to original listing, click the drop down arrow and click Select All and OK.
