HVR8HD ADA

HVR8HD-BL ADA

## HVRHD Series Heavy-duty Water Coolers

The new HVRHD series of 14 gauge vandal-resistant water coolers from Halsey Taylor is specifically designed for installations prone to vandalism. But just because these heavy-duty coolers are built to stand up to daily use, doesn't mean they shouldn't look good. The attractive contoured profile and integrated basin result in a sleek, modern look that blends beautifully in any setting.

### Features

- **14 gauge, heavy-duty satin finish stainless steel cabinet and integrated basin** resists stains, corrosion and can support a vertical load up to 500 pounds.
- **Vandal-resistant bubbler** - chrome-plated, one-piece design provides a satisfying drink of water.
- **No-lead design water system** is free of lead containing brass parts.
- Can be installed to meet **adult and child ADA requirements**.
- **Heavy-duty front access panel** with vandal-resistant fasteners.
- **U.L. Listed** for both indoor and outdoor service for increased flexibility.
- **Vandal-resistant, self-closing push button** does not require grasping or twisting.
- **Screened vents** prevent objects from being inserted into the unit.
- One-piece **vandal-resistant drain** helps prevent tampering.
- **Attractive contoured basin provides** a safe, low profile design.
- Stream height regulator is easily adjusted through the hole in the pushbutton.
- Ideal for schools, correctional facilities, and other rigorous, heavy-use applications.
- Available as a single (HVR8HD ADA) and bi-level (HVR8HD-BL ADA) unit.

Optional water filter is available
