

Halsey Taylor®

Satisfying Thirsts Since 1912.

**More
Refill,
Less Landfill.**

**Each second, Americans consume
1500 plastic water bottles.**

Reduce that number with the Hydroboost® bottle filling station. Ideal for any environment, Hydroboost offers a touchless, rapid fill of filtered water to quench thirst and reduce plastic bottle waste in the environment.

Visit halseytaylor.com for more information.
